PR 1/25 | FIA World Rally Championship – WRC2  
38 Jänner Rally

## Jan Černý starts his 2025 season competing in Austria

31/12/2024

Next to Ondřej Krajča, the driver based in Costa Adeje, Tenerife, will compete from January 3 to 5 in Austria, the scene of his debut with a Citroën C3 Rally2. The Jänner Rally, an event with similar characteristics to the next Rally Monte – Carlo, will serve as a test for its first participation in the World Championship (January 22/26) of the 2025 season.

Jan Černý and Ondřej Krajča are already ready for a new season. The driver residing in Costa Adeje (Tenerife) will start the year competing in Austria. In this scenario he will take the wheel of a Citroën C3 Rally2 with which, weeks later, he will begin his program in the World Rally Championship (WRC).

The characteristics of this rally in Austria are very similar to those of the next 'Monte – Carlo' (January 22/26), an event where the Černý-Krajča couple will begin their program in the WRC2 category, that is, a higher step to the project they covered in 2024.

“In 2025 we are going to compete in some WRC2 events within the World Championship”, underlines the Costa Adeje Tenerife Sur driver. “Competing in Austria will be very good for us to adapt to the car and the characteristics of its stages, without a doubt, it will be the best training for our debut in Monte-Carlo”, explains the Czech driver.

The Austrian rally starts this Friday, January 3, with the 'Arena Königswiesen' stage (8.3 km at 3:30 p.m.) and will continue on Saturday with the stages of 'Pierbach' (13.04 km at 8:01 a.m. and 11:33 a.m.), 'Unterweissenbach lang' (21.3 km at 8:35 a.m.), 'Farst un Erdbay Kefermarkt' (3.46 km at 10:49 a.m. and 1:06 p.m.), 'Unterweissenbach kurz' (9.4 km at 12:07 p.m.), 'Lasberg' (8.47 km at 3:04 p.m. and 17:33 h) and 'Schönau – St. Leonhard' (9.8 km at 15:43 h and 18:12 h). The Jänner Rally 2025 will end on Sunday after passing through 'Windhaag' (10.4 km at 7:57 a.m. and 9:41 a.m.), 'Liebenau' (8.97 km at 8:45 a.m. and 12:13 p.m.), 'Super Special Freidstadt' (4.13 km at 10:39 a.m. and 2:00 p.m.) and 'Schmierstoffe – St. Oswald' (12.5 km at 1:08 p.m. and 3:06 p.m.).
